

LANSMANS DAY CAMP

Weekly Newsletter - Week of July 8th

FROM THE DIRECTORS

That's a wrap! Week two was amazing!!! The camper's days were filled with fun and exciting activities. This week's highlights, without a doubt, was our WACKY WATER Wednesday. It was SPLASHTACULAR!

IMPORTANT INFORMATION

If a Lansman's Day Camp t-shirt did not come home with your camper this week or last week, please let us know. TRIP forms went out at the beginning of this week. If you are interested in sending your camper to Kelder's Farm (Lower Camp) or SplashDown (Upper Camp), please fill-out and return the permission slip as well as payment ASAP. Things are going to get a little groovy starting Monday, which is the first day of Lansman's TIE-DYE week. Our Nature Program was a success thanks to our open-minded campers, led by our very own nature guru and guide, AVA ANDERMAN. Nature is now rooted into the Lansman's schedule!!! Another new additon to our schedule is YOGA. Hopefully each camper will find their inner peace starting Monday, 7/15. Beginning next week our Junior and Senior campers will be putting their engineering skills to the test! In order to make this a success, we need your help! If you could please send in recycled plastic bottles and cardboard items that would be greatly appreciated! We have some fun activites in the works!

Continuous Reminder: ALL LUNCH orders need to be places before 9am using the link provided - <https://ldclunch.h1.hotlunchonline.net/frontend.php>
