*Red Rebels March to Spice Up Your Life by: The Spice Girls

La la la la las
Anakin we, know your game
Darth Vader is, not your name
We will set your army free
Death Star is not where they wanna be

We're the only hope (we have the force)
c3PO (we have the force)
Jedi's on patrol (we have the force)
Ahhhh

Troopers are done
And we're having a good time
They know that we have won
ANSwer for your crimes
Jedi's to the front
Uh uh we wonnn
X2
Uh uh, Red Rebels unite

*White Empire March to Everybody by: The Backstreet Boys

Everybody,
Come and join us,
Everybody,
Help us end the fight
The Empire strikes tonight

The dark sides here, we're back again
Vader's army, everybody sing
We're going to bring you down, and we'll show you how
Gonna use the use so we can take you down
We'll use our dark forces
You can't compete with us
We are here to stay
The force is stronger with our team, you better join the dark side now

Everybody,

Help us end the fight
