This was a busy week for our camp, as we had two exciting trips. This Tuesday, Upper Camp boys and girls went to Splashdown Beach in Fishkill. It was the perfect day for a water park, since the temperature was 94° in the shade. We arrived just as the park opened, so Lansman's had 40 minutes of uninterrupted fun with no other groups! The consensus was that the Megalodon ride was the best! Most of our kids also tried the Humunga Half-Pipe and everybody relaxed on the Lazy River.

Our younger campers in Lower Camp enjoyed an outing to Kelder's Farm this Thursday. This year's weather conditions changed the blueberry crop times, so the kids picked sweet corn instead. They learned that it is edible raw. The children also enjoyed a hay ride, mini

golf, the giant "jumping pillow" and playground, and feeding the animals. We came home with all the kids, but I promise nobody came home with a kid goat.

Our athletics program has kept kids *on the go* as well, with inter-camp games for Upper Camp and sports instruction for all ages. Our counselors are also *on the go* as they, too, compete against a neighboring camp in basketball.

We'll all be *on the go* as we "trick or treat" and parade around on Monday—and again on Wednesday as campers learn to rollerblade and play games while on skates.

It has been a pleasure watching everybody play and laugh each day.

Your director,

Scott M. Eckers

Another Basketball Win

Lansman's Boys 4 and 5 once again defeated Vacation Village, this time by one point with a buzzer-beating jump shot by Harrison Skolnick. The game went down to the wire with both teams playing well. With five seconds left to go, Vacation Village missed a crucial free throw, which led to a full court pass from Michael to his brother Harrison, who caught the ball and made the shot as time expired. It

was an exciting finish!

All of the campers played very well, with Boys 4 camper Bradley Kenney notably contributing with a clutch three pointer and finishing with seven huge points.

The team is coached by Isaiah Young and Eugene Johnson. The boys team is now 2-0 this summer with more contests to follow.

Come Find Nemo!

Through special arrangement with Music Theatre International, the Lansman's Players will be presenting *Finding Nemo*, Kids' version, with book, music, and lyrics by Kristen Anderson-Lopez and Robert Lopez and a book adapted by Lindsay Anderson.

It's tech week for the show, which means our campers will be working very hard with theatre director Alexis Costa to bring all of the show's ele-

ments together. During camp on Thursday, our Players will perform for their fellow campers. On **Friday, July 26 at 3:00 P.M.**, all families and friends are invited to the Casino to see the show.

If your child is involved with the show, you have already received an email with [costume information and links to downloadable music, scripts, and supplementary information](#). Please remind your young performer to review his or her lines and songs this week. Thank you!

Hello Parents & Grandparents,

We have had a fabulous three weeks in Art! Tie-dye shirts were a hit with all your children and popsicle sticks received a lot of use. The Nursery loved their homemade bracelets and G4 were incredibly creative making their coasters. Senior Boys were focused on their American Flag canvases and Senior Girls created matching bracelets in honor of their friendships. I am enjoying all your kids and looking forward to next week! ❤️ Michelle Eis

Important Reminders for the Week Ahead

Hallopurim in July is Coming!

We're putting our costume-tastic holidays together to celebrate this summer. Make sure to wear your costume to camp on Monday! There will be a costume parade, holiday-themed crafts, and a special "trick-or-treat" event with our own staff in "houses."

Cell phones and other electronic devices are not allowed at camp. Kindly check to see that your children are leaving their devices at home.

For safety purposes, campers should wear **proper footwear**, like sneakers, to camp every day.

The **camp phone number** is (845) 434-8480. Please call the office directly if you need to pick up your child early or have any questions.

Campers should **always bring their bathing suits and towels** to camp, even if the morning looks rainy.

Order lunch online by clicking ldclunch.h1.hotlunchonline.net.

Join the **camp Remind** through www.remind.com/join/ldc2024.

Campers made **tie-dye shirts** in art last week that should be worn on Thursday.

SMILE! Tuesday is Picture Day

This year's camp picture day will be Tuesday, July 23. Please make sure your child is wearing his or her clean, unaltered RED Lansman's tee shirt. Individual and group photographs will be taken in the morning, before swim times, to avoid (as best as possible) campers becoming disheveled. We will also take family photos with camp siblings together.

There is no paperwork for picture day. All families will receive a group photo and a high-resolution digital image of their children. You can then print the picture at your favorite store or share it electronically. We hope this change is a benefit to your family.
